

# Growing U

For 20 years UniSchool has been empowering people through affordable, high quality, skill-based training. Our recognition stems from our ISETT Seta accreditation, together with endorsements by many corporate and government bodies. A combination of business professionals and university academics ensures our outstanding quality. Our affordability is as a result of our 20 years of experience in being the training organisation of choice for the people of KwaZulu-Natal. Come and join more than 20,000 people - young and old, unemployed AND ROYALTY, who we have helped grow.

#### Testimonials from our Students

People of South Africa really need the kind of education provided by UniSchool.

UniSchool is the Best Academic Institution.
